## ENGINEERING SOCIETY REORGANIZED.

Last Monday morning Prof. Fullan appeared at Chapel and urged all members in the engineering courses, including Architecture, to attend a meeting in the auditorium of the Engineering Building. Over one hundred professors, post-graduates and students answered the call and a very interesting meeting was held. B. A. Wooten was appointed temporary chairman, and H. H. Heine, temporary secretary. Mr. Wooten then read the constitution as adopted by the previous society. The following officers were elected: J. E. Lacey, President; T. W. Wingo, Senior Vice-President; J. K. Lester, Junior Vice-President; E. E. Fry, Secretary; Prof. W. B. Stokes, Treasurer; Prof. M. Thos. Fullan, Chairman of Council. The members of the Council are: B. A. Wooten, J. E. Pitts, J. E. Lacey and J. C. Lee.

The purpose of the Engineering Society is to bring the Engineering Classes together more than they have been in the past. Meetings will be held twice each month and papers will be read by members of the various Classes. Whenever possible some well known Engineer will be invited to address the Society on some subject which will be of interest to all. Several very interesting lectures have been prepared by members of the Faculty, and these will be illustrated with stereopticon views.

With the proper kind of support the Society will be a success and every man in it will derive a great deal of benefit by attending the meetings.

## A MOVING PICTURE SHOW IN AUBURN.

There is to be a moving picture show in Auburn from three to four times a month on Friday and Saturday nights. The show will be given in the School Auditorium under the auspices of the Y. M. C. A. and the proceeds will go towards paying for the furnishings and plumbing in the Association rooms. The films used will be the best obtainable and the machine will be operated by an expert. The show will be repeated three or four times each night so that anyone may come early or late as they may choose, and see the whole thing.

On November 15th, the feature will be the World's Series of baseball games. On account of the almost nation-wide interest in baseball this is proving the most popular show of the season. Every Auburn man should see this without fail.

## HALLOWE'EN PARTY.

Prof. and Mrs. J. R. Rutland entertained his Sunday School Class at a delightful Halloween Party Thursday evening, October the thirty-first. The Halloween idea was carried in the decorations by spooks, witches, and various other designs on the walls. An old witch told amusing fortunes from her old pot under her vest. Mrs. Rutland was ably assisted by Miss Terrell, Miss Rutledge and Miss Rutland in serving delicious refreshments. About thirty-five students enjoyed this delightful occasion.

## AUBURN AGAIN DOWNS THE NEWELL, RESSIJAC AND ROBINSON THE STARS GA. TECH YELLOW JACKETS

Atlanta, Nov. 2.—At Ponce de Leon Park today the Auburn Tigers again triumphed over Coach Heisman's Yellow Jackets of Georgia Tech, defeating them 27 to 7 in a fiercely fought contest. From the snap of the first ball it was very evident that the lighter Tech aggregation had little chance to win from the more experienced warriors from Auburn, but they fought hard throughout the entire game and twice succeeded in placing the ball on Auburn's 8 yard line, but were unable to score until in the last period of the game. Cook, after a beautiful run of 30 yards, placed the ball on Auburn's 1 yard line—and after three attempts at the line—he plunged through for a touchdown. McDonald kicked goal.

In the first six minutes of the game "Father" Rensijac plowed through Tech's line for Auburn's first touchdown. Major kicked goal. And only a few minutes later "Runt" Newell circled the end and ran 30 yards for Auburn's second touchdown. Major failed to kick goal. In the latter part of the second period, after the ball had see-sawed up and down in the middle of the field nearly the entire period, the Orange and Blue backs rushed the ball to Tech's 5 yard line. Major then went over for a touchdown. Major kicked goal. In the third period Newell ran 80 yards through a broken field, for Auburn's fourth and last touchdown of the game. Major kicked goal.

### Stars of the Game.

"Runt" Newell proves the one particular star of the game. The little Orange and Blue half-back again makes a spectacular 80 yard run for a touchdown. With the ball on Tech's 20 yard line, Newell circled the left end, side-stepped three, and stiff-armed two of the Jackets' would-be tacklers, and then marched down the field for a touchdown. This is the second time this year that Newell has run 80 yards through a broken field for a touchdown, and is proving himself to be the best, and most dangerous broken field runner in Dixie. He also ran 30 yards to a touchdown in the battle Saturday, besides other gains that netted from 5 to 20 yards for the Tigers.

"Father" Rensijac again proved himself the premier line plunger of the game. Time and time again he plunged through the Jackets' line to be downed in the open field by the secondary defense. His terrific plunging was equally as good as the two famous All-Southern Tiger full-backs of previous years: Penton and Streit. Christopher, who replaced Rensijac at full in the second period, was found to be as hard to tackle as Rensijac. In five plunges "Chris" carried the ball 50 yards, placing the oval on Tech's 5 yard line, from where Captain Major carried it over for a touchdown. In Rensijac and Christopher, the Auburn Tigers have the two most effective line plungers of the south; and it will be a close fight for the All-Southern position.

Robinson's work at right end was really the defensive feature of the game. Tech found it hard to get the ball into the Auburn back field.

ous losses. Meadows at tackle, played a beautiful defensive game, until he was removed from the field on account of a badly sprained ankle. Lamb and Pitts were towers of strength in the Orange and Blue line. Pitts, on one occasion, charged through the Tech line, blocked a punt, and recovered the ball.

For Tech the offensive work of McDonald and Cook was the best while Moore played a stellar defensive game at right end. Moore also received a punt and ran 30 yards through a broken field to Auburn's 10 yard line.

### Arnold Out of Game.

On account of injuries received in a scrimmage a few days before the battle with Tech, right half-back Arnold was unable to enter the game. It was a great disappointment to both team and student body, for Arnold's work in the Mississippi A. and M. game was of the highest quality, and it is hoped that he will be able to appear in the battle with Louisiana State University in Mobile Saturday.

Tech's tackle and captain, Leuhrman, was also unable to participate in the entire game, owing to previous injuries.

### Game in Detail.

McDonald around end annexes 6 yards. Colley 7 yards through line, fumbles but recovers. Fielder takes 4 yards. McDonald around end for 10 yards. Cook takes 3 yards. Meadows hurt but remains in game. Tech on a criss-cross play gain 5 yds. Cook 3 yds. in line. McDonald 5 yds. around end. Tech holding in line, penalized 15 yds. Meadows removed from game on account of a badly sprained ankle. Tech attempts a forward pass, fails. Cook 3 yds. through tackle, fumbles but recovers. Tech attempts another forward pass, fails. Tech on next play fumbles, Auburn recovers ball. Christopher goes 15 yds. through tackle; and then he goes 6 yds. through guard. Tech holding, penalized 15 yds. Newell through line, no gain. Christopher goes 6 yds. through guard; and then takes 12 yds. through the same place; and again 11 yds. in the same hole. On a fake kick Major goes 5 yds. through guard. Major 2 yds. in line; Major then plunges through tackle for a touchdown. Newell punts out. Major kicks goal. First half ends. Score: Auburn 20, Tech 0.

### Second Half.

THIRD PERIOD—Auburn kicks to Tech, Capt. Major kicking to the 15 yd. line. McDonald received ball and returns it 20 yds. Cook in line gains 5 yds. McDonald through line for 3 yds. Cook 9 yds. Thomason 4 yds. in line. Cook 4 yds. outside tackle. On a forward pass from McDonald to Fielder Tech tore off 25 yds. The ball on Auburn's 10 yd. line the Tech rooters went wild, calling for a touchdown. Cook gained a yard in line, but on the next attempt he was thrown for a 6 yd. loss. They twice again tried to gain through the line but found nothing doing. Ball goes to Auburn. Rensijac replaces Christopher at full. Major punts. Moore of Tech receives ball and returns 20 yds. Tech penalized 15 yds. for holding. McDonald of Tech is hurt and compelled to leave the field. Harris takes his place at quarter. Cook gets 3 yds. in line, but after several attempts at the line Tech was unable to get the required distance and the half ended with the ball in Auburn's hands.

## ANNOUNCEMENT FOR Y. M. C. A. CALENDAR.

The Y. M. C. A. has just let the contract for the 1913 Calendar. It is unquestionably the most complete, the most artistic and the most attractive Calendar in every way that has ever been seen in Auburn. The cover is to be of white leather on which is a beautiful steel engraving of the main building. It will be made up as follows:

Page 1, Football squad. This is quite the best picture of the football squad that has been taken this year. Page 2, Football coaches and managers and Depot. Page 3, Fraternity houses, eight in group. Page 4, Band and Track Team. Page 5, Smith Dining Hall, Agricultural Building, Library, Langdon Hall and view of Campus.

A thorough canvass will be made of the entire student body to see if enough Calendars can be sold to defray the heavy cost of getting out the Calendar. The Calendar will be the best college souvenir and will make an ideal Christmas gift.

## THIS TEAM PICKED AS AUBURN'S BEST BY COACH DONAHUE.

All-Auburn team for all time. Center, Caton, '11. Right Guard, Mitcham, '97. Left Guard, Bonner, '11. Right Tackle, Jones, '05. Left Tackle, Glen, '97. Right End, Bynum, '96. Left End, Davis, '11. Quarter Back, Tichnor, '96. Right Half, Dorsey, '94. Left Half, Williams, '96. Full Back, Foy, '06.

## Game in Mobile Today.

Today the Auburn Tigers meet the Louisiana State University in Mobile. This is the first game we have had with Louisiana since our championship team of '08, and it is expected to be a fierce battle. After this game our varsity will be on the campus for two weeks preparing for the great Vandy battle in Birmingham, November 23. So fellows get busy, don't miss a practice. Boost the team and make them work. On to Birmingham to down the Vanderbilt Commodores!

## RANCH FOOTBALL GAME.

Those who were so fortunate as to be on Drake field Saturday evening during the Auburn-Tech matinee had the pleasure of seeing a football game quite as thrilling as any Varsity has ever played there. The Bragg's ranch bunch met the Parrish eleven and defeated them to the tune of 34-0. The teams were about evenly matched in size, but the Bragg boys were masters of the situation throughout. Parrish was unable to solve the mystifying formations of the Bragg's, consequently a Bragg back frequently broke loose for long gains and touchdowns. The Parrish line broke before the force onslaught of the Bragg back line. Parrish's line was too weak to stand up to the force of the Bragg's line. Parrish's line was too weak to stand up to the force of the Bragg's line.

AUBURN, ALA., NOVEMBER 9, 1912

Fellows, on the 23rd of November, just two weeks from today, we are going up to Birmingham to get Vandy's goat. We are not going up there with hopes of scoring on Vandy, nor are we going with the expectation of holding the Commodores to a tie score, but we are going with the determination to win, to beat the proud team of Vanderbilt and lay firm hold on the Championship of the South.

Every man in Auburn realizes that it is to be no "easy picking", but that it is to be by far the hardest fought game of the season and one of the hardest games that any Orange and Blue team has ever fought. It will be a hard game to win because Vandy has one of the strongest teams in the world today. But we are going to win because we have been after Vandy's Goat for years now, but haven't been able to arrange a game on neutral ground before. Knowing that we have got to win we feel sure that the student body will support the team to a man.

We are to have a special train to Birmingham and the price is to be three dollars for the round trip. At least seven hundred of the student body ought to make this trip. The team will need you, every man of you. Any man who has ever played football will tell you what a large factor a large and enthusiastic body of rooters is in determining a victory. It puts life and fight into a team as nothing else can. The margin of victory is sure to be small. The support of the student body may be the last straw that will swing the victory our way. Anyway it is bound to help. Every little bit will help. So let every man in Auburn determine to make the trip at whatever sacrifice. If you haven't the money, borrow it. If you can't borrow it pawn your clothes to the fellow across the hall. But above all come and yell. Bring your room-mate with you and both of you get megaphones and cheer for the occasion. It will be the trip of your lives. You can't miss it. Afford it? Three dollars? Why that is so cheap that it seems like a bargain price for the trip.

quitters. Well then let's do something. Let's turn out and warm things up. Let the class cheer leaders get together and arrange mass meetings and practice yells and songs. And when the mass meeting is posted let every man be there. They don't take up very much time and are far more than worth the sacrifice.

Have the cheer leaders made any arrangements yet in regard to megaphones? It is their duty to look after such details. They weren't elected for their good looks. We expect them to deliver the goods in the College Spirit line.

### ARE WE WITH THEM RIGHT OR WRONG?

I lay upon my bed with fever one-half mile from the depot last Saturday night and listened to the shouts of that mass of 700 boys as they sent up cheer after cheer. They had the taste of victory, the enthusiasm of the mass intoxicated each one and he thought of nothing but that victory and that he was to cheer for that team and for that college—his college—which had downed A. and M. that afternoon. Every man was there: he "done his damndest." He loved every man on that team which had won the game for his college and for him, that night. I distinctly heard as they struck up the tune, "Glory, Glory, Dear Old Auburn," and carrying it along with 700 throats, ended: "We're with you right or wrong."

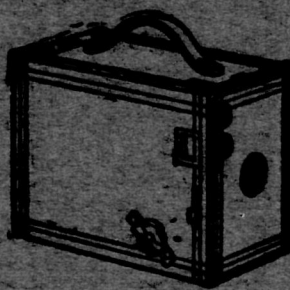

Are we? Are we with them right or wrong? Sometimes they are wrong! What then, are we "with them"? Sometime they will come in weary, wet, sodden, sick at heart, beaten! They have given their very best for old Auburn—still they were beaten. They need all the encouragement and the enthusiasm the whole student body can give them then. They are discouraged! They need that encouragement to turn that sickness they feel into determination to win Auburn's battles or die in the attempt. Do they get it? Do we cheer for them when they are losing or do we wait till they are within 5 yards of the opponent's goal? Think of it. Don't we go off to our rooms with a long face and perhaps we will confidentially advise some friend that "Auburn is rotten." Perhaps we will meet some man of the eleven that afternoon after the game, but we pass on without a word or a slap on the back. How does he feel then? Will that make him fight for Auburn the next time? They did their best! After all, who is "rotten"? Did we do our best? Who is the "quitter"?

Fellows, think about this. A winning football team is not made up of eleven men. It is made up of eleven men on the team and every man in college on the rooting team! They practice every day so let us do our part every day, too. Do we do as much for Auburn as they do? Can they win without us? Who, then, is to be blamed when Auburn loses? The eleven doesn't need our enthusiasm when they have scored a touchdown nearly so much as they do when the other team has scored one. Any man on the team will tell you that nothing in the world puts more fight into them than to have encouragement from the side back. The more they hear this is when they want to be discouraged and get the "quitter" label.

## DRUG HUNT BY SENIOR PHARMACY MEN.

Dr. Miller invited his class of Senior pill rollers to the woods Saturday last, to enjoy a feast in the beautiful forest.

Along about the noon hour, Dr. Miller invited us into a huge thickness of the swamp where refreshments were served, the scene was picturesque, and the improvised table contained a vast assortment of delicious eatables.

After the joy seekers had done justice to the well arranged menu a game of football was indulged in between the worthless and hopeless.

"Pauline" Lawrence was easily the star for the hopeless. "Slim" Bedsole kept the crowd in an uproar with his witty jokes. At dusk we fellows tired from the large day of sports, departed for our respective homes, with the promise of Dr. Miller to have the same kind of an outing again in the near future.

## A Comment

"So you expect that men are quicker of judgment in practical matters than women?"

"Yes," replied Miss Lawrence. "I have found the members of the men's society to be much more practical than the women's society."

## Standard Quality

There is no quiksand more unstable than poverty in quality and we avoid this quiksand by standard quality.
